BATP Partners Change and Save Lives!

Your Partnership at Work

In October of 2011, BATP celebrated its 20th Birthday—two decades of saving and changing lives! We hope you will join us as a Partner. Your Partnership investment goes far beyond just a warm bed for the night. In shelter, clients receive a room which not only includes a bed but also clean linens and pillows, a restroom with toiletries, diapers and wipes if needed and clothing. This is just the beginning; clients also have access to free childcare while they are at work, searching for a job, at an appointment or while attending counseling or classes. Clients can receive individual and/or group counseling, legal assistance and accompaniment, goal planning, nutrition education, budgeting skills, career counseling and transportation along with three nutritional meals and three snacks per day! Non-residential clients also benefit from a number of services including: safety planning, job skills, life skills, legal advocacy, referrals and case management. They can also participate in support groups and/or therapeutic counseling for adult, adolescent and child survivors. ***Services are always provided at no cost to the client.***

"This letter comes as a very big "THANK YOU." I appreciate, with all my heart, each service that was made available to me. I will always remember the kindnesses and compassion that was shown to me by the staff, if not for their encouragement - I don't believe I would have made it. I am hoping that one day soon, I will be in a position to give back (or forward) all that has been given me, in more than just a material way. I will never forget and will always appreciate what was done for me. Thank you to all those who support Bay Area Turning Point!"

~ a grateful client
