

Thank

You

Your generosity allows us to say “YES” to one more child, mother, father, elder, or deserving person who needs Bay Area Turning Point. Together we will continue our mission to provide recovery services for victims of domestic violence and sexual assault.

Because of the impact you make...We can operate a 24 Hour Crisis Hotline, Shelter with 72 beds, victim assistance services, and facilitate violence prevention strategies for societal change in partnership with our community. Caring people like you... are precious few!

**Peace for every woman, every child
every man, every day.**
